TASK SCENARIOS

--- Finding basic info ---

Check Opening Hours
Scenario: You want to visit the café this Saturday for breakfast. Find the opening hours for Saturdays.

Locate Contact Details
Scenario: You need to book a table for 4 people tomorrow evening. Find the phone number or email to contact the café.

Find the Location
Scenario: You are going to the café for the first time. Locate the address or map showing its location.

--- Exploring the menu ---

Find the Menu
Scenario: You are planning to visit the café and want to check if they offer vegan desserts. Find the menu and identify if vegan options are available.

Finding prices
Scenario: You are planning to have afternoon tea at the café and want to know the cost of a high tea. Find the menu and locate the price for the high tea.

Identify Dietary Information
Scenario: You are lactose intolerant and can't have dairy. Check if there are dairy free options available.

--- Booking a table ---

Book a Table
Scenario: You want to reserve a table for two this Friday at 7PM. Use the website to make a booking.

--- General ---

Navigate to Social Media
Scenario: You want to see other peoples reviews of the cafe's dishes. Find and open their Instagram or Facebook page.

Explore Special Offers
Scenario: Your friend's birthday is approaching and you heard that the café offers vouchers which you can gift. Find out information about the voucher and how you can order one.
